CORRESPONDENCE RE NOTICE OF
DRAWING REQUIREMENTS

Commissioner of Patents and Trademarks
Washington, D. C. 20231

Sir:

The Applicants' attorney received the Notice of Drawing Requirements dated July 8, 1992 stating the drawings submitted on June 17, 1992 were objected to because Figs. 1 and 2 were missing. The Form PTO-948 which was attached to the Notice indicated that Figs. 1 and 2 should be sent in on 8 1/2 x 14 paper. This is, of course, a reissue application and Figs. 1 and 2 are part of the original file and are to be transferred to this file without change. Furthermore, a photocopy of Figs. 1 and 2 was submitted when this reissue application was filed as required under Section 1413 of the MPEP. That section specifically states that additional drawings may be added provided that no changes are made to the original drawings. Accordingly, the Applicants request that the objection to the drawings be withdrawn.

Respectfully submitted,

Philip L. Bateman
